I am inviting you to attend a public meeting to comment on the planning application for development of a concrete batching plant (with associated hoppers, conveyors and ancillary facilities) at Ferme Park Depot, Cranford Way, Hornsey N8 9DG, submitted by London Concrete Ltd.

This public meeting is to be held on:

The purpose of the meeting is to hear your observations on the planning application, prior to its consideration by the Planning Applications Sub-Committee on 10th October. Residents' observations, as expressed at the public meeting, will be noted and reflected within the officers' report to the Sub-Committee.

Please note that this meeting relates to a new, revised planning application recently submitted by London Concrete Ltd.
